

THE NEW PEUGEOT 3008 COMPACT SUV

MOTION & EMOTION

PEUGEOT

AN ASSERTIVE STYLE THAT MAKES YOUR PRESENCE KNOWN

From the very first glance, the New PEUGEOT 3008 Compact SUV provides the ultimate display of strength and sophistication—declared through its striking feline full-LED headlamps, long bonnet, large wheels, and black diamond roof.

THE LATEST PEUGEOT i-COCKPIT®

Experience the latest generation of the iconic PEUGEOT i-Cockpit® aboard the New PEUGEOT 3008 Compact SUV. Have a commanding view of the road through its raised driving height and compact steering wheel, along with the 8" touchscreen and toggle switches angled towards the driver. The PEUGEOT i-Cockpit® Amplify is also introduced to enable two distinct driving moods: Boost and Relax.

INNOVATIVE MODULARITY AND FUNCTIONALITY

Boasting outstanding modularity, this latest compact SUV is equipped with intelligent solutions that allow versatile storage space—with flat folding front passenger seats and 1/3 – 2/3 Magic Flat folding second row seats.

OPTIMIZED EFFICIENCY AND DRIVING

The New PEUGEOT Compact SUV is equipped with Efficient Modular Platform 2 (EMP2) technology for lighter and more responsive handling. It is also fitted with a six-speed efficient automatic transmission (EAT6) and two engine choices: the Turbo High Pressure Petrol and BlueHDi Diesel engines.

CHALLENGE THE NORM. GO BEYOND THE ROUTINE.

THE NEW PEUGEOT 3008 COMPACT SUV

Lighter, efficient, made for every day—PEUGEOT redefines the classic SUV segment by going against the rules with the New PEUGEOT 3008 Compact SUV.

Balancing a robust frame with distinct elegance, this compact SUV is designed with a low center of gravity while maintaining optimal ground clearance. It is engineered to be innovative and agile, with the Efficient Modular Platform 2 (EMP2) technology and Advanced Grip Control® system—enabling cutting-edge adaptability on diverse roads.
