GET TO KNOW THE 3008 SUV ACTIVE

PEUGEOT i-COCKPIT®

Inside the 3008 SUV Active is a digital world engineered for intuitive driving experiences. The i-Cockpit features a customizable 12.3" digital cluster and an ultra-responsive 8.0" capacitive touchscreen angled towards the driver.

DRIVING SAFETY AND CONVENIENCE

The 3008 SUV Active is the first Lion to offer a 3-year warranty coverage (or 100,000 km, whichever comes first). PEUGEOT also partnered with EasyTrip and Autosweep to provide complimentary RFIDs.

ADVANCED GRIP CONTROL SYSTEM

Turn any road into everyday adventures. This advanced traction system instantly adapts to even the most difficult driving conditions. Currently, it offers five grip modes: Normal, ESP OFF to disconnect assistance, Sand for loose surfaces, Mud for better grip, and Snow for slippery roads.

SIX-SPEED EFFICIENT AUTOMATIC TRANSMISSION

The 3008 SUV Active produces optimal power with reduced CO2 emissions and fuel consumption. The six-speed automatic transmission (EAT6) technology guarantees efficient drives without compromising performance and driving excitement.
