

THE ALL-NEW PEUGEOT 5008 SUV

MOTION & EMOTION

PROFOUND INTERIOR MODULARITY

Beyond its sleek and imposing exterior, the all-new PEUGEOT 5008 SUV reveals enhanced space and interiors that are on par with the best people carriers. Enhanced passenger comfort or even more loading space can be achieved with its individual flat-folding and adjustable seats.

THE LATEST PEUGEOT i-COCKPIT®

Boasting cutting-edge technology and intuitive driving, the latest generation of the acclaimed PEUGEOT i-Cockpit® is fitted into the all-new PEUGEOT 5008 SUV—together with a compact steering wheel, 8"capacitive touchscreen, and 12.3" digital head-up instrument panel.

PARK ASSIST

Included in the cluster of intuitive driving aids found within the all-new PEUGEOT 5008 SUV is the Park Assist function. This innovative feature detects spaces big enough for your SUV and automatically steers the vehicle into the spot, giving you visual and audible cues to guarantee safe and convenient parking.

ADVANCED GRIP CONTROL

The all-new PEUGEOT 5008 SUV is ready for sleek streets and rough roads alike through the optimized traction of the Advanced Grip Control system. With five available grip modes – normal, snow, mud, sand, and ESP OFF – you can choose to go wherever your call for adventure takes you.

A WHOLE NEW DIMENSION FOR DRIVING.

THE ALL-NEW PEUGEOT 5008 SUV

The all-new PEUGEOT 5008 SUV is the latest installation to PEUGEOT's current line-up of Lions that are on the move to transform driving as we know it. Boasting the latest generation of the renowned PEUGEOT i-Cockpit®, Efficient Modular Platform 2 (EMP2) technology, and a modular 7-seat capacity, this dynamic adventurer goes beyond the standards of function and versatility on the road.

Welcome the newest member of the PEUGEOT SUV range—the family of vehicles driven to epitomize sophistication, dynamic performance, and modularity.
